1. AGENDA SUBJECT:

Request to vacate the entirety of 6300 West Street, 9350 South Street and 6370 West Street of the Dannon Way Industrial Park subdivision plat recorded January 2, 2019.

2. PURPOSE FOR COUNCIL TIME:

Road vacation request.

3. SUMMARY:

The road vacation request is made because the planned use of the property has changed. The recorded Dannon Way Industrial Park subdivision plat is currently being amended from an 11 lot industrial subdivision to a 2 lot industrial subdivision. The roads dedicated on the recorded plat are no longer required. No part of the original 11 lot subdivision has been constructed. No utility lines, telecommunications lines, or other facilities, structures, or equipment has been placed in the right-of-way of any of the referenced roads. The amended plat and road vacation requests will facilitate the construction of two warehouses on the property.

4. TIME SENSITIVITY / URGENCY:

Urgent. If roads are not vacated, construction may be halted.

5. BUDGET IMPACT:

None.

6. STAFF RECOMMENDATION:

Staff recommends approval of the road vacation request.

7. PLANNING COMMISSION RECOMMENDATION:

Planning Commission hearing is not required.

8. MOTION RECOMMENDED:

Motion to approve Ordinance No. 20-46 an ordinance to vacate the entirety of 6300 West Street, 9350 South Street and 6370 West Street on the Dannon Way Industrial Park subdivision plat recorded January 2, 2019.

BACKGROUND DISCUSSION:

The purpose of this Ordinance is to vacate all of 6300 West Street, 9350 South Street and 6730 West Street in the Dannon Way Industrial Park subdivision plat. The streets are no longer needed because the subdivision is being amended. All of the property affected by this vacation is under the same ownership; namely, Kachina Sub, LLC. While the streets have not been constructed, they have been dedicated to the city as part of a legally recorded plat. The vacation will remove any reference of the dedication to the city. The city has not expended any funds associated with the street dedication. Good cause exists to vacate the road and the vacation will not be contrary to the public interest.

According to State statute (Utah Code Ann. Sections 10-9a-207, -208, -608, -609, and -609.5) and the West Jordan City Code (Sections 5-2-5, 14-3-6, 14-3-10, 15-3-9, and 15-3-10), the property owners have two legal options to complete the process of vacating a dedicated public street:

1. Have approved and record an Amended Plat (a road vacation plat) for Dannon Way Industrial Subdivision; or
2. Have approved by the City Council and record an Ordinance to Vacate the entirety of the dedicated streets within the Dannon Way Industrial subdivision.

If the city council approves the vacation, it must either cause that a plat is recorded with the County or that an ordinance is recorded with the county.

The Ordinance to Vacate option is the quickest and least expensive option; state law and City ordinances do not allow for a quicker option under the circumstances. The filing fee covers the costs of public notice, drafting the Ordinance, and recording it with the County Recorder. Approval of the Ordinance (and recording it with the County) will vacate the streets and have the same effect as recording of a street vacation plat.
