West Jordan Hosts 10th Annual Memorial Day Tribute May 29 at Veterans Memorial Park Military Services Monument

(West Jordan, UT) — West Jordan city officials are hosting a traditional Memorial Day Tribute Monday, May 29 at 7 p.m. This important event honors Americans who gave the ultimate sacrifice defending our nation, values and freedom. The program takes place at the West Jordan Military Services Monument in Veterans Memorial Park, 1985 W. 7800 South.

“West Jordan is proud to present our tenth annual Memorial Day Tribute and remind our community of the meaning of this holiday,” said Mayor Kim V. Rolfe. “We cannot bring back our fallen, but we can honor their service and never forget that our freedom is bought and paid for with the blood of many brave men and women.”

Program highlights include music presented by the 23rd Army Band, the Utah Pipe Band, and singer David Pack; a 21-gun salute, and the Honor Guard. This year’s program also includes highlights from past Memorial Day programs held at the West Jordan Military Services Monument. The monument includes two murals that depict scenes from the Revolutionary War through the conflict in Iraq. There is a 69’ reflecting pool as well as flags that represent the Army, Navy, Air Force, Marines, Coast Guard and Merchant Marines.
