

LEPC Meeting Minutes- DRAFT
June 9, 2016
11:00 am
Next Meeting: August 11th, 2016 @ 11:00AM

Attendance: Reed Scharman, WJFD; Chuck McStotts, SVWRF; Bryan Larsen, IASIS Healthcare; Tim Bussey, H2O Environment; Jerry Warner, Enviro Care; Richard Moseley, DPS/FMO; Dyonne Diamond, WJFD

WJFD Deputy Chief, Reed Scharman opened the meeting at 11:03am.

Announcements:

- We will not have a July meeting. The next meeting will be August 11th at 11:00am.
- Utah Governors Public Safety Summit
 - Focus was on a growing concern of plant and building safety and security
- Some interest was expressed to have an active shooter training and a possible drill.
 - Any trainings like this would include a policy review, training and then possibly a drill.
- The FBI is routinely making arrests related to terrorism.

Open Discussion

- Jerry with EnviroCare mentioned they expect a lot more environmental activists this summer. Due to the increased number of funding and people donating to environmental issues.
- Richard with DPS/FMO – passed along information for a TERT training Sept. 11-16, 2016 open to LEPC members. This training has paid airfare, airport parking, hotel, and food etc., just not wages. If interested, please see the attached flyer below.
- Tim Bussey with H₂O is in need of someone that does high ropes and rigging training.
- An Email was received from Aisza Wilde, President, and CEO of the West Jordan Chamber of Commerce. She expressed that had she been able to attend the meeting that she would have liked to share the following four points below.
 - 1) We held our Best of the West Business Expo on Tuesday at the Viridian Library. It was a HUGE success! We had over 50 local businesses participate, tons of prizes and giveaways and a social media booth to help promote each business. We will hold another one on **October 26 from 11-2**, if you or someone you know would like to be a part of it, please let me know.
 - 2) We are the **#1 Chamber in the State of Utah for Social Media engagement!** Our Facebook page receives more engagement than any other Chamber in the State, including Salt Lake. Our Facebook video broadcasts typically receive over 1,000 views in the first 24 hours online. So, if you have a message that you would like to share, let me know and we will schedule a **"shout-out" for you!**
 - 3) We are the **#1 Chamber in the State for networking** events! Business owners and reps that travel from Ogden to St. George participating in Chamber activities in all

cities tell us that NOBODY has more networking opportunities than the West Jordan Chamber!

- 4) This Friday at 4pm we will be honoring some amazing individuals and companies in the Community Room at City Hall. Including our Ambassador of the Month (the winner will be announced at the ceremony), Sam's Club will be receiving the Outstanding Community Partner Award and we will be unveiling the **Craig Dearing** legacy Award! So, please stop by and congratulate them!
- Tara Behunin with the State of Utah Emergency Management Division also emailed some points she would have liked to add to the meeting had she been able to attend. Conferences:

- August 27, 2016 - Utah Prepare Conference and Expo
 - South Towne Expo Center, Sandy
- September 26-28, 2016 - Public Information Officer Annual Conference
 - Courtyard by Marriott, St. George.
 - Join the PIO Association. Learn how at UtahPIO.org
- October 25-28, 2016 - Utah Floodplain and Storm water Management Association Conference
 - TBD, St. George

Grant Information:

- 2015-2016 HMEP Final expenditure deadline 6/30/16. All documentation must be submitted to the State by 7/31/16.

June 21, 2016 | 1:00 PM - SERC meeting at DEQ in SLC (open to public) - can call in at 1-877-820-7831 - Enter the Meeting Room Number: 673825#

Upcoming Training

T&E will be partnering with UDOH to offer a **Homeland Security Exercise and Evaluation (HSEEP) course**, June 20 - 21, 2016 at the new UDOH State Lab located at 4431 South 2700 West in Taylorsville. Please register on UTrain. A link with more information can be found at: <http://dem.utah.gov/training-and-exercise/training/>
If you have any questions, please contact Kris Repp (krepp@utah.gov or 801.209.2070).

Public Assistance (PA) / Individual Assistance (IA) Preliminary Damage Assessment (PDA) Training

FEMA is conducting Preliminary Damage Assessment (PDA) training for the Public Assistance (PA) and Individual Assistance (IA) programs applicable on both the state and local levels.

When: June 30, 2016

Time: 8:00 AM - 12:00 PM (4 hours)

Where: Utah State Capitol Complex, East Senate Building, Spruce Room

About: This course will cover FEMA's new Preliminary Damage Assessment (PDA) manual and will go over the new requirements and responsibilities for state and local governments and discuss any changes from previous PDA methods.

How: Please sign up on U-TRAIN. U-TRAIN ID is 1063886. Please contact Brad Bartholomew (bbart@utah.gov) for questions.

Greetings UT first responder/receiver/LEPC member;

The Center for Domestic Preparedness (CDP), in conjunction with the Utah State Fire Marshals Office Hazmat Section, will be sponsoring a Technical Emergency Response Training (TERT) class in Anniston, Alabama for police, fire, health, LEPC members, and first receivers from Utah.

The training is being provided at no cost to the student and will include airfare, lodging, meals, and per diem.

The date for the Utah Hazmat TERT course will be September 11-16, 2016.

There will be seats for 48 students from fire, law enforcement, hospital, EMS, emergency management, LEPCs, hazmat, and public works.

Course description: The Technical Emergency Response Training for CBRNE Incidents (TERT) course is a four-day training course, which provides responders with Chemical, Biological, Radiological, Nuclear, or Explosive (CBRNE) specific and all hazards response skills enabling them to respond safely to either event. This course presents information regarding immediate response actions associated with life safety, preservation of property, and restoration of an incident site, as well as information related to the identification of CBRNE hazards. The TERT course concludes with the performance of acquired skills and tasks in a toxic environment (chemical and biological materials) at the Chemical, Ordnance, Biological, and Radiological Training Facility (COBRATF).

Registration: Go to <https://cdp.dhs.gov/register/application-procedures/>

Be sure to use Promo Code 16-16 TERT or 16-16 TERT UT when you register
